

Be Still [Lyrics]

[Mainstream Worship]

Verse 1

I lay my heart out at your feet
No reason to hide
I'm blameless in Your eyes
All my failures on display
What once brought me shame
Your grace has made hope again
You take me as I am
In you I will stand

Chorus

I'll throw my life into the sea of your mercy
I'll go further out into the mystery of You
I'll live by faith until your promises consume me
I'll be still and know that You are God

Verse 2

Cast my burdens on the cross
I set fear aside
I won't be kept from You
Fix my eyes on things above
Your heart is my home
I hear You calling
Take me where You want
I'll go where You lead

Bridge

I trust in who you are
The God who shaped the stars
My failures were erased upon the cross
I'm laying down my life
Your purpose is now mine
Surrendering control of everything
