[Mainstream Worship] by Mainstream Worship

## Verse 1

We will shout for all You've done for us  
You gave Your life upon that cross  
You made our way when we were lost  
We will dance for we're no longer bound  
Sin was broken, we were found  
We live to make Your name renown

## Pre-Chorus

When the world rises against us  
We're confident that nothing can stop us

## Chorus 1

Cause we're for You, We live it loud for You  
We lay our lives down for you Lord  
Undivided moving forward

## Verse 2

We will stand for everything You are  
Your story's louder than all of ours  
Freedom came through all Your scars  
We will move, together reach the lost  
We love no matter what the cost  
You will heal the broken heart's

## Chorus 1

Cause we're for You, We live it loud for You  
We lay our lives down for you Lord  
Undivided moving forward

## Chorus 2

For You, forever we're for You  
With all we are, we're for You Lord  
Undivided moving forward
