## Verse 1

Creation inside of Your hands, You authored it all  
Earths foundation stands in the promise You made  
Sure as the sun will rise Your word will remain  
Turning darkness into light

## Chorus 1

Jesus, You're the love of my life  
The author and Lord of all

## Verse 2

Oceans bow down at Your feet when You give Your word  
Winds and waves complete surrendered to You  
Sure as mountains stand Your promise is true  
Pouring rain on dry land

## Chorus 2

Jesus, You're the love of my life  
The author and Lord of all  
Jesus, You're the heart of my praise  
Forever I'll sing Your Name

## Bridge

Wonderful, Beautiful, Maker of All  
God Everlasting
