

Holy (Cross Has Won) [Lyrics, 72 bpm]

[Mainstream Worship]

Verse 1

On a tree, emptied out
You set aside your glory
The Son of God, slain for us
Your death replaced our history

Chorus

You are holy, holy

Verse 2

Crucified, but innocent
Of all the sin you carried
Your final breath, the final word
Salvation through Your Sacrifice

Bridge

You are greater than all other names
You are worthy of the highest praise
Your love conquered death to set us free
The cross has won our victory

Tag

The cross has won our victory
The cross has won our victory

Verse 3

King of Heaven, raised to life
In resurrection power
Lord of All, lifted high
As we proclaim the name of Jesus Christ
