

In Your Love [Lyrics, 110 bpm]

[Mainstream Worship]

Verse 1

My heart ran wild and I followed close
Till mercy broke down my every wall
I chased this world wandering aimlessly
You showed me love like I've never seen

Pre-Chorus

Nothing can replace this feeling
Higher and higher I'll lift Your praise
Everything I need is in You
And only You

Chorus

I feel so alive In your love
Freedom is mine In Your love
And I am dancing to the rhythm of your heart
I found life In your love

Verse 2

You rescued me, when I lost control
You pulled me in with your love so strong
It's more than words, You will never leave
You lift me up beyond my wildest dreams

Bridge

You're the one that brought this heart to life
Only in your love, Only in your love
None can separate this love divine
I am Yours, You are mine
I am Yours, You are mine
