

# Let the World Go [Lyrics, 135 bpm, 4/4]

[Mainstream Worship] by Mainstream Worship

## Verse 1

My life was turned upside down  
But You set my feet on the ground  
My life was all about me  
But in You I've found all I need

## Pre-Chorus

I'm dropping everything  
I'm dropping everything so I can follow You  
I'm dropping everything  
I'm dropping everything and going after You

## Chorus

I'll let the whole world go  
and I'll grab a hold of You  
And I will not let go  
when I get a hold of You  
This is not my home, with You is where I belong  
I'll let the whole world go and I'll grab a hold of you

## Verse 2

My life was idle at best  
But You lit a fire in my chest  
My life was close to the edge  
But Your love has saved me from death

## Bridge

You gave everything just to save my soul  
Surrender my life giving you control  
Ran into Your arms, I will not let go  
I will not let go
