Verse 1
```
     1                 5
Stop everything It all turns to dust
              2ᵐ                  4
I just wanna make time for the two of us
        1                  5
I'm throwing all excuses aside
                2ᵐ                    4
You've got my attention so speak tonight
```

Verse 2
```
     1            5
Let rest invade, clear my head
             2ᵐ         4
Just wanna give You my very best
        1                        5
I'm throwing all distractions aside
             2ᵐ            4
Everything but You in my life
```

Chorus
```
1            5
You have got my attention
2ᵐ
Say what You wanna say
4
God I am listening
```

Verse 3
```
      6ᵐ               5
Strip everything away from these hands
          2ᵐ                     4 ( b7 going to Chorus )
So I can reach You, so I can touch You
```

Bridge
```
  b7    4/6 4        1
I hear You call my name
  b7    4/6 4        6ᵐ       5
I hear You call my name
```
