

Never Be Alone [Lyrics, 65 bpm]

[Mainstream Worship]

Verse 1

At Your feet The sweetest place to b
Every fear Put to rest when You are near
All I need Is the comfort that You bring
In Your presence

Chorus

You're my refuge, All I run to
You're my strength when troubles come
You are with me, Right beside me
I will never be alone

Verse 2

When You speak, Every wave that breaks on me
Falls still, When I am in Your will
All I need Is the comfort that You bring
In Your presence

Bridge

I can never escape from Your presence
In darkness and light You are there
Nothing can hide from Your love
I'll never be alone
