

Never Lose Sight [Lyrics, 51 bpm, 6/8]

[Mainstream Worship] by Mainstream Worship

Verse 1

In You, my debt was paid in full
The price, Your life, You surrendered all
Your death collapsed the power of sin
You rose to life so that I may live

Pre-Chorus

My chains were broken I am free
devoted to You now
For You have won my heart

Chorus

Jesus Your love surrounds me
I'm caught in Your grace that found me
Surrender my life to worship
Nothing compares to Your great love

Verse 2

You loved me in my darkest hour
Your grace increased all the more
You taught my heart it's one desire
To yield my life to all you are

Bridge

Search the depths of my heart
So I will never lose sight of Your love
Draw me close into your arms
So I will never lose sight of Your love
