[Mainstream Worship] by Mainstream Worship

## Verse 1

It was You, who came to save our lives  
Upon the cross, You gave a sacrifice  
Crucified, but now alive in us  
Salvation lies in Your sinlessness

## Chorus

We believe through Your love  
You saved us, You filled us  
We declare by Your blood we are free

## Verse 2

A savior meant to die for all our sins  
To bring the earth to light from darkness  
The greatest gift, Your testament of love  
To heal us from our brokenness

## Pre-chorus

Upon that hill, Your love poured out to see  
It was there our chains were broken free

## Bridge

Your death brings life  
Your love brings hope  
The cross has overcome  
Your death brings life  
Your love brings hope  
The cross has overcome
