Verse 1

Together we stand
Our lives offered up for Your call
Hand in hand
We long to unite for Your cause

Pre-Chorus

We are redeemed
All of our hope in You
You've set us free
Unite us together as we sing

Verse 2

Hear our prayer
To break the divide in our hearts
Give us strength
So that nothing can break us apart

Chorus

Your Name breaks all of our chains
Your grace saved us from our ways
Together we will sing
Forever we will sing
Your praise lifting You higher
Always our longing desire
Together we will sing
Forever we will sing

Bridge

Hallelujah, Hallelujah
With one voice we sing praises to the King
Undivided, we stand together
With hearts as one to proclaim the Son, risen One
