[Mainstream Worship]

Verse 1

You, Your eyes see right through me
You see every flaw but then cover them all
You, Your heart overwhelms me
And You've already won all my wrongs overcome

Prechorus

All I've done is undone
in the light of Your love

Chorus

Oh Mercy has won
Oh hope has overcome
So great is your love for us
That my heart will forever sing

Verse 2

You, You broke my defenses
You took my world apart You took my battles on
You don't waste time with worry
Cuz You've already won all my wrongs overcome

Bridge

You brought Your light to the darkness
Your Life sacrificed
From my heart to my skin I am no longer mine
I'm bought with a price

Bridge 2

You brought Your light to the darkness
Your Life sacrificed
From my heart to my skin I am no longer mine
I'm bought with a price
