

Breath of God [Lyrics, 68 bpm]

[Live at The Venue]

Verse 1

You separated darkness from the light
Broke the oceans with the sky
Conceiving wondrous mountains with valleys low
Creating order in the void

Chorus 1

Breath of God, Come fill our lungs
Holy Spirit, Come speak to us
In Your presence, we're satisfied
Breath of God, You give us life

Verse 2

You authored life in Your hands out of dust
In Your image fashioned man
You placed Your likeness in us, You breathed in us
With your spirit, birthed our soul

Chorus 2

Breath of God, Come fill our lungs
Holy Spirit, Come speak to us
In Your presence, we're satisfied
Breath of God, You give us life

Everything I need
You place inside of me
All I want is what You have for me
With every breath I take
I'm lifting up Your Name
All I want is what You have for me
