```
1                 2m          6m
  You separated darkness  from the light
1                  2m          6m
  Broke the oceans with the  sky
1                     2m          6m
  Conceiving wondrous mountains  with valleys low
1               2m        6m
  Creating order in the  void
```

```

Breath of  God, Come fill our  lungs

Holy  Spirit, Come speak to  us
         4              5       6m
In Your  presence, we're satisfied

  In Your image fashioned  man
1                     2m          6m
  You placed Your likeness in us,  You breathed in us
1                  2m            6m
  With your spirit, birthed our  soul
```
