

Burn Brighter [Lyrics, 124 bpm, 4/4]

[Live at The Venue] by Mainstream Worship

Verse 1

Though this world's a haze
Let our worship blaze
As we seek Your face
Reignite the flame
See the darkness fade
As we're unashamed

Verse 2

Overtake our lives
With consuming fire
Burning deep inside
Glow within my soul
We'll let the whole world know
That You're the only hope

Pre-Chorus

Guide our way in the darkest night
Reveal Your way with Your shining light
In the fire, Your light is burning bright
Your light is burning bright

Chorus

Set our hearts on fire
Lord, You are our one desire
We will always lift you higher
Come and make our lives burn brighter
