

# My Attention / Besides This Song [Lyrics]

[MW Acoustic] by Mainstream Worship

## Verse 1

Stop everything It all turns to dust  
I just wanna make time for the two of us  
I'm throwing all excuses aside  
You've got my attention so speak tonight

## Verse 2

Let rest invade, clear my head  
Just wanna give You my very best  
I'm throwing all distractions aside  
Everything but You in my life

You have got my attention  
Say what You wanna say  
God I am listening

## Verse 3

Strip everything away from these hands  
So I can reach You, so I can touch You

## Bridge

I hear You call my name  
I hear You call my name
