

# Never Failing [Lyrics]

[Live at The Venue] by Mainstream Worship

## Verse 1

Clinging to your grace, caught up in Your embrace  
Nothing can separate us, no, no  
Found in You alone, to make Your name known  
Nothing can come between us, no, no

## Pre-Chorus

May our anthem, be Your praise

## Chorus

Woah, Woah, oh  
You'll never fail me You'll never let me go  
Woah, Woah, oh  
You always love me forever with me

## Verse 2

Calling out Your name, forgetting all my shame  
Nothing can come before You, no, no  
Shouting out Your praise for all of my days  
Nothing can stand against You, no, no

## Bridge

We are found in You  
We will never stop following You
