

Renew Me [Lyrics]

[MW Acoustic] by Mainstream Orlando

Verse

Your perfect in every way
I wish I had words to say
How I feel when I'm with You
I love everything You do
You hold the stars and the moon
Creation adores You
I'm so glad You hold my heart too

Chorus

Renew me, renew me
Will You come down and hold me?
Will You come down and hold me please?

Bridge

I long for more of You, to hold You in my view
You're beautiful, so beautiful
