

# Moving [Lyrics]

[Mainstream Worship]

## Intro

### Verse 1

Darkness changed to light  
When the bright and Morningstar revealed the night  
Through heavens' son the earth compelled to life  
You were moving then, and you are moving now

### Verse 2

Death you cannot stand  
The power of the grave is in His hands  
At the mention of His name we live again  
You were moving then, and you are moving now

### Tag

You were moving then, and

### Chorus

You are moving now, nearer to my heart  
closer than before, as I draw near  
There is no doubt even in this hour  
You're turning lives around, You're working all things out  
Right here right now

### Verse 3

Jesus, Truth and life  
Your promises withstood the test of time  
The gift of life complete through sacrifice  
You were moving then, and you are moving now  
You were moving then, and

### Bridge 1

Mountains fall to dust  
Weakness becomes strength  
Hatred turns to love  
God You're moving, You're moving

Captives become free  
Broken lives made whole  
The lost are coming home  
God You're moving, You're moving

### Bridge 2

Weeping turns to joy  
Anxiety to peace  
Depression has no hold  
God You're moving, You're moving

Sickness turns to health  
Dead things raise to life  
Fear you have to leave  
God You're moving, You're moving

## Moving -

### Chorus 2

You are moving now, nearer to my heart  
closer than before, as I draw near  
There is no doubt even in this hour  
You're turning lives around, You're working all things out
