Verse 1

Come into the room
Focus my attention
Longing for a move
So I leave here different

Prechorus

Everything aside
Nothing left to hide
I want more of you
And even less of me God

Chorus

I want to stay here
In this atmosphere
Closer to your heart
Caught in this moment
As your love draws near
Closer to my heart

Verse 2

Open up my eyes
Let me see what you see
Visions come to life
When you speak it will be, done

Prechorus

Everything aside
Nothing left to hide
I want more of you
And even less of me God

Bridge

You're here, right now
Show me the wonders of your glory
Deep into the mystery
Of your love

Your power, your grace
Let it consume my every moment
Fill me Holy Spirit
With your fire
