Verse 1

Life before you was aimless
Blindly searching for truth
With no end in sight
Til your love gave me vision
To see your promise revealed
Through your endless light

Pre-Chorus

With you I will never need, anything
Your ways are my everything, everything

Chorus

I have a new life, new hope, new reason why
This life is worth it, your purpose is better than mine
With every moment I'm with you, I come alive
This life is worth it, your purpose is better than mine

Verse 2

I was running in circles
Chasing something this world couldn't offer me
Now I'm living with meaning
This new direction with You gave me clarity
