Verse 1

My soul longs for You
As the deer pants for the water
Oh my soul longs, for You

My soul thirsts for You
For a fount that won't run dry
And so my soul thirsts, for You

Pre-Chorus

When I seek You, I know I'll find You
When I seek You with my whole heart
When I seek You, I know I'll find You
'Cause nothing else will satisfy me

Chorus

I don't wanna go one day without You
I don't wanna miss one thing You say
I just wanna know You more than I did the day before
Lord, I'm desperate for You

Verse 2

My heart clings to You
Cause without You I am nothing
Oh My heart clings to You

My heart yearns for You
For the moment we are face to face
My heart yearns for You

Pre-Chorus

Chorus (2x)

Refrain (2x)

Lord, I'm desperate for You

Bridge (3x)

You're the bread of life
You're my heart's desire
Oh I'm hungry for more of You

You're the spring of life
The well that won't run dry
Oh I'm thirsty for more of You
