[Mainstream Worship]

Intro, V1, PC, C×2, V2, PC, C×2, B×2, Rf, C, E

## Intro

## Verse 1

I'm leaving all the world behind me  
Cause when I'm with you everything has meaning  
There's something's different 'bout the way you love me  
So I'm following

## Prechorus

My mind is made up  
Nothing's gonna stop me  
I'm living for your glory

## Chorus

More than a feeling  
Your love's become my true reality  
When the hype is fading  
My voice will break the silence  
My praise will keep on rising

## Verse 2

Won't be distracted by my feelings  
I'll stay devoted with my heart abandoned  
You are the way, the truth, the life all I need  
So I'm following

## Chorus

## Bridge

It's not about the hype  
It's all about the truth  
I will live my life  
Running after you

## Bridge 2

It's not about the hype  
It's all about the truth  
I will live my life  
Running after you

## Refrain

Running after you
