Verse 1:

When I feel distant
You close the gap
Nothing can come between us
No height no depth
Can separate
There is no life apart from you

Pre-Chorus:

In the morning and evening
You're reminding my soul
That you're closer than ever
Never far cause I know

Chorus (2x):

There's nowhere I could run
That you won't be
There's nowhere I could hide
That you won't find me
Even at my worst, you'll never leave
Everywhere I go you're right beside me

Turnaround

Verse 2:

As I draw near
You're drawing closer
This is my confidence in You
You won't relent till
You have my heart
All that I am, I give to You

Pre-Chorus

Chorus (2x):

Interlude:

Bridge (3x):

I wanna be near
Close to your heart, wrapped in your arms
Near
Tuned in to your voice, through all of the noise
Here
Your presence is where, I know who I am
I never wanna leave Your side
Knowing You changed my life

Interlude

Chorus (2x):
