## VERSE 1

You, You do impossible things  
I know cause You split the sea  
You kept every flame off me  
Oh it's You, Oh it's You

You, You've never known defeat  
I know cause I'm still standing  
You beat every giant for me  
Oh it's You, Oh it's You

## PRE-CHORUS

Your love revived and rescued me  
You're giving me new life  
I'll testify 'cause now I see

## CHORUS 1

Oh it's You  
You walked through the fire to get to me  
You fought my fight to victory  
You are the reason why I sing

## Interlude

## VERSE 3

You, You give me faith to believe  
I know I can do all things  
Your Spirit is strengthening me  
Oh it's You, Oh it's You

## CHORUS 1

Oh it's You  
You walked through the fire to get to me  
You fought my fight to victory  
You are the reason why I sing

## CHORUS 2

Oh it's You  
You parted the waves to set me free  
Your love rewrote my history  
You are the reason why I sing

## BRIDGE

My one, my all  
You've always been enough  
That's why I know that it's you  
Oh it's You
