Intro

Verse 1

Your love feels so extravagant to me,
It's a luxury, but also the only thing I need
Loving you means I'll never lack a thing
Oh what a treasure

Verse 2

You are a pearl of the greatest price to me
Invaluable, I'd sell everything for just a piece
Having you means I'll never lack a thing
Oh what a treasure

Chorus 1

Worthy
Lord, You are worthy
I will lavish all my praise
No, I won't hold back anything
'Cause You are worthy
Lord, You are worthy
I will lavish all my praise
No, I won't hold back anything

Turnaround

Verse 3

You are more perfect than words could ever say
Indescribable, Your elegant beauty never fades
Knowing you means I'll never lack a thing
Oh what a treasure

Chorus 2

Worthy
Lord, You are worthy
I will lavish all my praise
No, I won't hold back anything
'Cause You are worthy
Lord, You are worthy
I will lavish all my praise
No, I won't hold back anything

BR 1

You gave it all
'Til only nails were left
So here is my heart
You're worth it all
I give it all
'Til only You are left
Whatever the cost
You're worth it all

Instrumental

BR 2

You gave Your life
A perfect sacrifice
The King of my heart
You're worth it all
I give my life
A living sacrifice
If it's what You want
I offer it all
