Verse 1

I don't wanna go one day
Without the One who knows my name
Nothing's standing in my way,
Won't hold myself back from the King
You're my everything

PreChorus

'Cause I know Your Spirit won't leave me striving
Your presence makes me feel lighter
Whatever I need I can find it

Chorus

In Your love that won't change
Your peace that won't fade
Your goodness and grace are following me
What else could I need

'Cause faithful's Your name
And kindness, Your way
Your freedom and joy are following me
What else could I need

Verse 2

Like nothing that I've ever dreamed
The wonder of Your majesty
Your glory fills the void in me
Oh God, You are the missing piece
You're my everything
