N.C. 4 5

Without the One who knows my name  
Nothing's standing in my way,  
Won't hold myself back from the King  
You're my everything

Your presence makes me feel lighter  
Whatever I need I can find it

In Your love that won't change  
Your peace that won't fade  
Your goodness and grace are following me  
What else could I need

'Cause faithful's Your name  
And kindness, Your way  
Your freedom and joy are following me  
What else could I need

Like nothing that I've ever dreamed  
The wonder of Your majesty  
Your glory fills the void in me
