Verse 1

Letting go of all the things
That keep me from my purpose
All the fears, all the lies
I'm done, those things are worthless

PreChorus

Cause Love swept in
Turned my world around
I won't hold back my life

Chorus

I give it all everything that I have is yours
I'm not afraid of the hate that I may endure
Even though the cost is high
I'm never giving up on this fight
I give it all everything that I have is yours

Verse 2

Feel alone but I'm alright
Emotions won't control me
All my friends are asking why
I'm different from the old me

PreChorus

Cause Love swept in
Turned my world around
I won't hold back my life

Chorus

I give it all everything that I have is yours
I'm not afraid of the hate that I may endure
Even though the cost is high
I'm never giving up on this fight
I give it all everything that I have is yours

Bridge

Oh Your Love swept in and turned my world around
My response to you is life surrendered now
I will not stop chasing till the lost are found
Because this love has led my life to sing

Chorus

I give it all everything that I have is yours
I'm not afraid of the hate that I may endure
Even though the cost is high
I'm never giving up on this fight
I give it all everything that I have is yours
