Verse 1

G D/F#
You

The first glimpse of You

Left me feeling a way that I couldn't
shake so i'm sticking with You

G D/F#
New

Now I'm feeling brand new

All the things from my old self are gone,
and You took the weight off, feeling new

PreChorus

So I'm cutting all ties
that lead back to previous days

And I'm running straight for You,
I'm locked in, I'll finish the race

Chorus

Fresh start, New heart
Fresh start I'm living new now
New heart It's all for You now

Fresh start, New heart
Fresh start I'm living new now
New heart It's all for You now

Didn't answer the questions I had,
so I left in the past all I knew

You're undeniably true

So I'm building my life on You,
because You are the way and the truth
